Dear Supporter

Many thanks for your kind support

May I, on behalf of the Board of Trustees and Crew Members of the Independent Caister Volunteer Lifeboat Service, thank you very much for your kind donation of £1000.00 towards our lifeboat service.

As you know it is donations such as yours which enables the Caister lifeboat to remain operational and your help is appreciated by all those involved. With costs around £180k per year, it is only through the generosity we receive from individuals and businesses that makes it possible for us to save lives along the coastline of the Caister and Great Yarmouth area.

Kind Regards,

Yours Sincerely,

John Hemsworth,

[On behalf of the Caister Lifeboat Team.]
